RHEUMATIC SYRUP Co., JACKSON, Mich.

GENTS: In February, '89, I commenced using Hibbard's Rheumatic Syrup and Strengthening Plasters for inflammatory rheumatism, having been troubled three years with this terrible disease. My joints were swollen so that I could hardly walk and I attended to my business with difficulty. I used three bottles and applied the plaster to my limbs and back, and I can say that I am now cured. I have not been troubled with rheumatism since discontinuing its use. My father-in-law, Mr. J. D. Skinner, of Manson, has also been benefited by this medicine. We earnestly recommended it to our friends. Take my advice, give it a trial.
